MARRIAGE & FAMILY LIFE

Nearly 350 Catholic weddings were reported at our parishes in 2024. Nearly 100 of those couples took advantage of the diocesan marriage preparation programs.

YOUTH & YOUNG ADULT MINISTRY

The Office of Youth and Young Adult ministry has emphasized the “person over program” in all trainings, events, and activities for and with young people. We look at how someone is being seen, affirmed, listened to, and guided towards an authentic relationship with Jesus Christ in the Gospel and exercised through the Sacraments.

FORMING MISSIONARY DISCIPLES

CATHOLIC SCHOOLS

A Catholic education offers more than just academics—it nurtures the whole child, providing a strong foundation in faith, ethics, and service to others. One of the key benefits of Catholic schools is the personalized attention students receive.
